

KENNETH HINTON, STUDENT SENATE PRESIDENT

American River College
4700 College Oak Drive
Sacramento, CA 95841
Phone: (916) 484-8453 | khinton.asbarc@gmail.com

January 10th, 2013

Dear Students, Faculty, Staff, and Administration:

I regret to inform you that one of American River College's own students was shot and killed protecting people while working at a local auto parts store on January 9th, 2014.

Marc Zhuchenko was a 22-year-old man who was a student, a leader, a co-worker, an athlete, a hero, and one of our own family members here at American River College. He worked and served students in the Dusty Baker Center for many years with Frankie Johnson. When the Dusty Baker Center closed down temporarily, they both came to work in the Center for Leadership and Development. After a year of working in the Center for Leadership and Development with the Student Leaders of the 2012-2013 Student Senate and Clubs and Events Board, he went to go work for the Counseling Center. Marc worked in the Counseling Center helping students up until his untimely death.

We as the Student Body mourn the loss of such a young inspiring man and a hero. He touched many lives at American River College and his loss will be felt by the entire student body. He will not be forgotten by the many people that knew and worked with him.

His killer was caught at a local hospital after seeking treatment for a stab wound Marc inflicted while defending his coworkers.

We as the student body send our dearest condolences to his family, friends and coworkers. Marc exemplifies the model of an active and involved student, we are greatly appreciative of the work Marc has done for American River College.

Marc Zhuchenko you will be missed.

Sincerely,

Kenneth Hinton
Associated Student Body
